## **Public Enemy**

```
This is for the ones that do it
This is for the ones that tell
This is for the ones thats scared
White mans heaven is a black mans hell
This is for the ones that take em
This is for the ones that sell
This is for the ones that od
This is for the ones on the corner
This is for the ones in the cell
This is for the ones under the ground
White mans heaven is a black mans hell
Black history - white lie
