

## Cruel

Public Image Ltd.

Body and soul-an animal  
As a sword-swing double edged  
Dig deep down-that monthly frown  
You have the tools-to make men fools

Cleopatra-the rat catcher  
Preambling-eyeball shopping  
You're measuring-your next victim  
Too good to be sin-far too entertaining

She said the most evil thing  
I can do  
Is to give my body to you

In silhouette-the suffragette  
Behind the scenes-the deadly schemes  
Your best nightmare-without a prayer  
>From ship to shore-paramour l'amour

Inside our head-22 lead  
The modern miss-with modern gifts  
In tragedy-hilarity  
Never sin-far too entertaining
