

Fat Chance Hotel

Public Image Ltd.

With the fly in my eye
It didn't take long
To realise
The desert sun
Might be good for some
Oh no, but not for I

I get bored in the brain
Out here
Doing nothing at all
Some useless holiday
This turned out to be
The dinner gave me
The splattery botty

Burning
All day long
I, I don't belong
Itching in frustration
This is not my ideal vacation
