

## Fat Chance Hotel

Public Image Ltd.

With the fly in my eye  
It didn't take long  
To realise  
The desert sun  
Might be good for some  
Oh no, but not for I

I get bored in the brain  
Out here  
Doing nothing at all  
Some useless holiday  
This turned out to be  
The dinner gave me  
The splattery botty

Burning  
All day long  
I, I don't belong  
Itching in frustration  
This is not my ideal vacation
