Better days will never be Better days will never be Better days will never be Now What does this mean It means We get the best scene When politics talk The ends of power meet Nice to be wanted Safe and protected The ends of power When politics talk Better days will never be Home sweet home Home, home Now Let's talk politics Every dog has its day For me (for me) I don't believe (I don't believe in anything) Better days ahead (one more war) Will never be (I do believe no more) I don't believe in (no long goodbye) Anything (nuclear day) Better days will never be Better days will never be Better days will never be Spare no man Match bomb for bomb War All is fair in war When the ground is soft With hot blood Spare no man Better days will never be (match bomb for bomb) A scorched earth (flatten the earth, this home sweet home) No charity (burn everything, from lust to dust)

No weak pity (no charity, no weak pity) From lust to dust (all is fair in war)
