This could be heaven  
Shallow spreads of ordered lawns  
I like the illusion, illusion of privacy  
The careful trees blending so perfectly  
Bland planned idle luxury  
Life in lovely allotted slots  
A token nice, a nice constitution  
A layered mass of subtle props

This could be heaven  
Mild mannered mews  
Well intentioned rules to dignify a daily code  
Lawful order standard views  
This could be heaven
