You see Reginald, he is a reasonable man
And being uncomfortable, with a bit of a later plan
He don't see no evil, just Eve and Adam
And only innocence, but in the garden
Acting the, man
He is a new sense,
You've been dreaming, we've all been dreaming
We see no reason for leaving the, shine
We trying like, shine
There are no bad seasons, no reason for leaving
And so we shine, so we shine, now shine
You see Reginald, he is a reasonable man
And being uncomfortable, with a bit of a later plan
You see Reginald, he is a reasonable man
And being uncomfortable, with a bit of a later plan
He don't see no evil, just Eve and Adam
And only innocence, but in the garden
Shining like a beacon in the garden of eden,
There are no bad seasons, no reason for leaving
And if you shine like a beacon in the garden of eden
, no reasons for leaving, shine
He is from London, I am from London
Many of us come from London
But no matter where you come from
You can still be a better person,
In the garden of, right in the garden, of
I've been dreaming in the garden of eden, shine
Got no reason, no reason for leaving, shine
Shine like a beacon in the garden of eden
I've been seeing no reason of leaving
From the callie, weed,
I have all of the 7 sisters that I need
I am from, park and I am having a luck
And while you wait for the penny to drop
Well you'd rather sing with the world
And you do not know the,
He is a ladies' man, he is an innocent man
Back in the garden,
And so we like a beacon in the garden of eden, shine
There are no seasons, no reason for leaving
Shine like a beacon in the garden of eden, shine
I've been seeing no reason for leaving
I've been dreaming, see no reason.
