

Think you know the answer  
Think you got all the problems  
Well why not try and solve them  
Instead of sitting on them

Taking on new projects  
Steadily slipping sideways  
Close your ears to reason  
Your very valued opinion

Nothing is getting nowhere  
Never meaning what you're saying  
Well now I need a decision  
Not empty headed ambition

Slightest things explode you  
Well the whole world will implode you  
Solitaire for the lonely fly  
You're not the only one
