

## The Suit

Public Image Ltd.

It is your character  
Deep in your nature  
Take one example  
Sample and hold  
Romance and replace  
The lack in yourself  
It is your nature  
It is your nature  
We see you climbing  
Improving the effort  
Wearing my suit  
It is your character  
There is a limit  
Over your shoulder  
Everyone loves you  
Until they know you  
Perfume aerosols  
May champion the strangers  
Nick  
Standing around  
All the right people  
Crawling  
Tennis on Tuesday  
The ladder is long  
It is your nature  
You've gotta suntan  
Football on Sunday  
Society boy  
On social security  
It is your nature  
Tennis on Tuesday  
Sipping champagne  
Football on Sunday  
Home on the train  
It is your nature  
Girl from Totteridge Park  
Said you were nice  
So was my suit  
The ladder is long
