This is not a love song  
This is not a love song  
This is not a love song

This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song

Happy to have  
Not to have not  
Big business is very wise  
I'm crossing over into free-enter-prize

This is not a love song  
This is not a love song  
Not a love song  
Not a love song

I'm going over to the other side  
I'm happy to have not to have not  
Big business is very wise  
I'm inside free enterprise

I'm adaptable  
I'm adaptable

I'm adaptable  
Now I like my new role  
I'm getting better and better  
I have a new goal  
I'm changing my ways  
Where money applies

This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song  
Not a love song

Now are you ready  
To grab the candle  
That tunnel vision  
Not television  
Behind the curtain  
Out of the cupboard  
You take the first train  
Into the big world  
Now will I find you  
Now will you be there

Not a love song (echo)  
Not a love song  
Not a love song (repeat)

Happiness and sunshine

Not a love song  
Oh no  
Not a love song  
Oh no  
Not a love song  
Oh no (repeat)
