

Better Place

Puddle of Mudd

It's always so damn hard to say goodbye
To the ones that you love the most
It's just never that easy
My cousins fading fast
I can't believe that I didn't see it coming
I didn't see it coming down

I should've been there to pick you up
I could've been there to help you out
When you were going down
I should've been there to pick you up
I could've been there to help you out
But you were gone

I never wanna say goodbye
I never wanna say goodbye
I know you're in a better place
But I can't get you out of my mind

I never wanna say goodbye
I never wanna say goodbye
I know you're in a better place
Why'd you say goodbye?

The pictures in my head
Will never be enough to replace
All the good times we had together, man
I miss you every day, I miss you every day
And I wake up in a cold, cold sweat, yeah

The picture's in my head
Will never be enough to replace
All the good times we had together, man

I should've been there to pick you up
I could've been there to help you out
But you were gone

I never wanna say goodbye
I never wanna say goodbye
I know you're in a better place
But I can't get you out of my mind

I never wanna say goodbye
I never wanna say goodbye
I know you're in a better place
Why'd you say goodbye?

And I know you tried
(Well, I could've been there to help you out)
I know you cried
(I should've been there to pick you up)
When you were falling down
I never got a chance to say
I never wanna say goodbye

I never wanna say goodbye

I never wanna say goodbye
I know you're in a better place
But I can't get you out of my mind

I never wanna say goodbye
I never wanna say goodbye
I know you're in a better place
Why'd you say goodbye?

I know you're in a better place
But I can't get you out of my mind
I know you're in a better place
But I can't get you out of my mind
