

Blood on the Table

Puddle of Mudd

You lied a river of tears, I know that you're faking
You cried & quivered adhered, way to stick to it
But I've given everything that's left
The blood spilled on the table
You cried & quivered adhered, way to stick to it
& I've given everything I've got
The blood's on the table

You lied you cried
The blood's on the table
You cried ,you lied
The bloods on the table

You wipe the tears away should've known better
Letting go of all your lies sorry for suffocating
But I've given everything I've got
The blood spilled on the table
You cried you shiver & shake
But I'm going to have to let you go
& I've given everything I've got
The blood's on the table

You cried you Lied
The bloods on the table
You lied you cried
The bloods on the table

& I've given everything
(You know I've given everything)
& I'm not about to leave
(no I'm not about to leave)
Don't cry Don't cry
Cause I'm tired of hearing you scream at me

You lied you cried
The bloods on the table
You cried you lied
Spit on the table
