

## Blood on the Table

## Puddle of Mudd

You lied a river of tears, I know that you're faking  
You cried & quivered adhered, way to stick to it  
But I've given everything that's left  
The blood spilled on the table  
You cried & quivered adhered, way to stick to it  
& I've given everything I've got  
The blood's on the table

You lied you cried  
The blood's on the table  
You cried ,you lied  
The bloods on the table

You wipe the tears away should've known better  
Letting go of all your lies sorry for suffocating  
But I've given everything I've got  
The blood spilled on the table  
You cried you shiver & shake  
But I'm going to have to let you go  
& I've given everything I've got  
The blood's on the table

You cried you Lied  
The bloods on the table  
You lied you cried  
The bloods on the table

& I've given everything  
(You know I've given everything)  
& I'm not about to leave  
(no I'm not about to leave)  
Don't cry Don't cry  
Cause I'm tired of hearing you scream at me

You lied you cried  
The bloods on the table  
You cried you lied  
Spit on the table
