

Blurry

Puddle of Mudd

Everything's so blurry
And everyone's so fake
And everybody's empty

And everything is so messed up
Pre-occupied without you
I cannot live at all
My whole world surrounds you

I stumble then I crawl

You could be my someone
You could be my sea
You know that I'll protect you

From all of the obscene
I wonder what you're doing
Imagine where you are
There's oceans in between us

But that's not very far

Can you take it all away?
Can you take it all away?
When ya shoved it in my face?

This pain you gave to me
Can you take it all away?
Can you take it all away?
When ya shoved it in my face?

Everyone is changing
There's no one left that's real
So make up your own ending

And let me know just how you feel
'Cause I am lost without you
I cannot live at all
My whole world surrounds you

I stumble then I crawl

You could be my someone
You could be my sea
You know that I will save you

From all of the unclean
I wonder what you're doing
I wonder where you are
There's oceans in between us

But that's not very far

Can you take it all away?
Can you take it all away?
When ya shoved it in my face?

This pain you gave to me
Can you take it all away?
Can you take it all away?
When ya shoved it in my face?

Oh, Nobody told me what you thought
Nobody told me what to say
Everyone showed you where to turn

Told you where to run away
Nobody told you where to hide
Nobody told you what to say
Everyone showed you where to turn

Showed you where to run away

Can you take it all away?
Can you take it all away?
When ya shoved it in my face?

This pain you gave to me
Can you take it all away?
Can you take it all away?
When ya shoved it in my face?
