

Cloud 9

Puddle of Mudd

I'm sitting waiting on cloud nine
Sitting here waiting on cloud nine
What do I have to do man
Tell me what is going on
Tell me what is going
If I remain strong I'll go to heaven where I've been
She comes to me with open arms
She's an angel man she's an angel
We float away
But she brings me back
Did I do something bad I ask myself

Thrash, Bash, Kill myself, eat a bunch of trash
Thrash, Bash, Get some cash and spend it on some drugs
Explode into a million pieces so noone can find me
I'll be on cloud nine
Cloud nine

Going out of my mind
Raining down on cloud nine
Nothing I can do man
Tell me what is going on
Tell me what is going
If I remain strong I'll go to heaven where I've been
She comes to me with open arms
She's an angel.. She's an angel
We float away
But she brings me back
Did I do something bad I ask myself

Trash, bash, kill myself, eat a bunch of trash
Trash, Bash, Get some cash and spend it on some drugs
Explode into a million pieces so no one can find me
I'll be on cloud nine
Cloud Nine, Cloud nine
Send me away to cloud nine
Cloud Nine, Cloud nine
Send me away to cloud nine

Call me when the sun goes down
