

## Diseased Almost

## Puddle of Mudd

Nothing's making sense to me, sense to me  
Never bleed, never bleed  
Somebody save me

I think the world has turned on me  
Voices in my head won't let me be, never let me be  
Somebody kill me

Close my eyes, close my eyes, make me cry, make me cry  
Close my eyes, close my eyes, make me cry  
Somebody kill me

The poison is killing me, killing me, killing me  
I can't take it anymore  
Born into this world diseased  
Murdered in my mind might never see, never see  
Somebody kill me

Close my eyes, close my eyes, make me cry, make me cry  
Close my eyes, close my eyes, make me cry  
Somebody kill me

Somebody kill me

Close my eyes, close my eyes, make me cry, make me cry  
Close my eyes, close my eyes, make me cry  
Somebody kill me

Close my eyes, close my eyes, make me cry, make me cry  
Close my eyes, close my eyes, make me cry  
Somebody kill me

Close my eyes, fuck you cry  
Close my eyes, fuck you cry  
Fuck you cry, fuck you cry  
Fuck you cry, fuck you fly  
Fuck you flies

Fuck you
