## Puddle of Mudd

Yeah.....

Yeah.....

Hollywood Hills  
Pocket full of shells  
Sunset draggin'  
Haven't even slept all  
Days on end  
Something's gotta give  
might as well live it up  
until the fat lady sings

You want it  
You got it  
It's everything  
You dreamed  
Cause I just wanna be famous  
Be so f'n jaded  
Cause i let playboy bunnies  
Take my money from me  
Show up at the Oscars  
look out dennis hopper

The money is for nothing  
And the chicks are for free  
Yeah... I wanna be  
fa fa fa famous

You can sleep all day  
And still get paid  
When the sun goes down  
We do it all over again  
Cause when you're on a roll  
They gotta let ya go  
Right through the back door  
Let the games begin

You want it  
You got it  
It's everything you dreamed  
Cause I just want to be famous  
Be so f'n jaded  
Cause i let playboy bunnies  
Take my money from me  
Show up at the Oscars  
look out dennis hopper

The money is for nothing  
And the chicks are for free  
Yeah... I wanna be...  
fa fa fa famous

I hope that it's everything  
That you dreamed about  
Be careful what you wish for  
Hope that it's everything that you dreamed  
When everything's falling apart at the seams

And I know that you never believed in me  
Don't ever let 'em f with your dreams... Yeah...

Since it means so much to you...

You want it  
You got it  
It's everything you dreamed  
Cause I just want to be famous  
Be so f'n jaded  
Cause i let playboy bunnies  
Take my money from me  
Show up at the Oscars  
look out dennis hopper

The money is for nothing  
And the chicks are for free  
Yeah... I just wanna be Famous  
Cause fame is contagious  
Now all the playboy bunnies want my honey from me  
Show up at the Grammys  
So loaded they ban me  
The money is for nothing  
And the chicks are for free

Yeah... I wanna be... fa fa fa Famous  
Yeah... I wanna be... fa fa fa Famous
