

Freak of the World

Puddle of Mudd

Dont want the sun to shine upon my face
And i see your eyes and their glazy haze
Your lips dont move
But i hear what you're saying
I look outside through the razor blades

And i crawl and i scrape and i feel for you
But there's nothing
There's nothing that i can do
Im a freak
Im the freak of the world
Im a freak
Freak of the world

Stars are shining oh so bright
And i dont think everything's alright
And i can't wake up
Cuz i dream all night
Yeah you're in my way
And i can't get bye

And i beg and i cheat and i steal for you
But there's nothing
There's nothing that i can do
Im a freak
Im the freak of the world
Im the freak of the world
Im the freak of the world
And there's nothing i can say
And there's nthing you can do
And there's nothing i can say or do

Dont want the sun to shine upon my face
And i see your eyes and their glazy haze
Your lips dont move but i hear what you're saying
I look out side through the razor blades
And i try
(through the razor blades)
And i scream
(through the razor blades)
I can see your face

Im the freak of the world
Im the freak of the world
Im the freak of the world
And there is nothing i can say
And there is nothing you can do
And there is nothing i can say or do
Caz im the freak of the world
Im a freak
Of the world
