

Just Tell Me

Puddle of Mudd

Sometimes when I get lonely, all I do is think about you
Sometimes when I get angry, everything I do is for you
Laying it on the line, telling her all the time
Somehow my words just don't get through
Sometimes when I get crazy, all I do is wanna see you

Just tell me what I can do to make it all right
You know I'm so in love with you, I feel so alive
When I'm with you
Telling her all the time, laying it on the line
Somehow my words just don't come through
You're my one and only, song my end
You are everything in my life

Sometimes when I get crazy, all I do is reminiscing you
Just tell me what I can do to make it all right
You know I'm so in love with you, I feel so alive
When you're with me, when you're with me

Why you gotta bring me down, why you got to bring me down
Why you gotta run away from me, yeah
Why you gotta bring me down, why you gotta bring me down
Why you gotta take everything from me

Just tell me what I can do to make it all right
Cause I am so in love with you, I feel so alive
Just tell me what I can do to make it all right
Cause I am so in love with you, I feel so alive when you're with me
