Emotionless I slip in to the black  
and there's no turning back now  
everyone around me smoking crack  
this tunnel is blinding  
hallucinating I'm debating life  
but it's still moving forward  
if I could just change the hands of time

Well I'd do it better

Just walk away  
just walk away  
just walk away

fearless I have fell in to a trap  
and there's no way around it  
everyone is crying in the back  
my kin is around me  
hesitating there's no second chance  
when you know your a loser  
keep on trying keep an open mind

I'm caught in a circle

Just walk away (3x)

Emotionless I slip in to the crack  
fill as if I've fell in to the blue  
hullucinating there's no turning back  
everyone around me smoking crack

Just walk away (4x)

If you even heard a thing I've said
