

Spaceship

Puddle of Mudd

Yeah .. alright
Now, now now

A long time ago in a galaxy far a wasted
I'm basted come on yeah
I'm in the floor and I got all the flavors you tasted
With sweat dripping down your little back

Cause all night long, said
All night long, I been thinking
About how to get your clothes on the floor
All night long, said
All night long, I been drinking
About how to get your panties on the floor

So let's get it over and just get naked
With sweat dripping down your little back
I'm a Holy roller and I own the spaceship
So let me take you for a little ride
Ride, ride-ey-yea-yea-yeah alright

So I've been on the go for so long
I can't stand up, straight and now tell me
I'm in the floor and I got all the flavors you tasted
With sweat dripping down your little back

Cause all night long, said
All night long, I been thinking
About how to get your clothes on the floor
All night long, said
All night long, I been drinking
About how to get your panties on the floor

So let's get it over and just get naked
With sweat dripping down your little back
I'm a Holy roller and I own the spaceship
So let me take you for a little ride
Ride, ride

Come on, come on, come on yeah
You know I really want to take you for a little ride
Come on, come on, come on, yeah
You know I really want to take you for a little ride
You know I really want to take you for a little ride
You know I really want to take you for a little

So let's get it over and just get naked ooh

So let's get it over and just get naked
I wanna give you everything I got
I'm a holy roller and I own the spaceship
So let me take you for a little ride
Let's get it over and just get naked
With sweat dripping down your little back
I'm a holy roller and I own the spaceship
So let me take you for a little ride

Come on, come on
Take you for a little ride
