

After Love

Puff Daddy

I Used To Move Around,
I'm Feeling Kinda Stuck These Days (Because Of You)
And I'd Be On The Highway,
If Only I Could Leave My Place (Because Of You)
I Used To Be A Talker
But I Ain't Got Nothing Good To Say (Because Of You)
And I Be Trying To Hide But it's Written All On My Face

So I...
I Really Thought You Were The One, The Only One
I Guess That I Was Wrong
Then You Turned Out You Wasn't It
The Opposite
Of Everything I Thought, So...

What Do You Do After Love?
(After Love)
What Can You Say When It's Said And Done?
(Nothing At All)
'cause U Can't Hide A Heart Break
(Yea I know)
And You Can't Stop These Tears From Falling Down
So What Do You Do? What Do You Do?
(What Do You Do) After Love?
(After Love)

After Love, (Ooh Ooh)
After Love, (After Love It Hurts So Bad)
After Love
After Love, (Uh Huh)
After Love

Yea Uh Uh
I Remember That First Day
That I Saw Her Face
The Feeling I Had Sorta Felt Like My Birthday
Beautiful I Must Say
She Was My Earthquake
Cute Face, Nice Shape,
She Made My Earth Shake
I'ma Try And Keep The Faith,
Do It Like The Church Say
She The One For Me And I Don't Care What Him Or Her Say
Thought I Had A Home Run
But I'm Just At First Base
I Found Out In The Long Run
Just Another Heart Break
So How Much Can My Heart Take
You Was Like Air To Me
You Know I Wouldn't Leave
I Needed You To Breathe
See Life Is But A Dream
So Is Love And I Believe
If You Ever Been In Love
You Would Know What I Mean
Yea, So Lord Help Me Please
I Wanna See The Light

She Keep Telling Me I'm Wrong
But I Know I'm Right
I'm Tryin To Ignore
'cause I Don't Wanna Fight
I Know I Make Mistakes
But Still I Need Her In My Life

Tell Me How I'm Supposed To Heal This Open Wound (Because Of You)
And Tell Me Who Woulda Thought That I'd Ever Be Trying To Get Over You
Im Stuck In The Moment, Of Memories Of Me And You...
And I Can Get Over It, But I Ain't Sure If I Want To...

'cause You Have Made Your Bed, Now U Gotta Lie In It
(U Gotta Lie In It Babe)
Now All The Things U Said Don't Mean A Thing
(Don't Mean A Thing To Me No)

I Can't Believe I Gave U One - Last - Shot
I Let It Ride Now Baby It's - Your - Stop
I Was Supposed To Leave - Now The Jokes On Me
It Took A While To Finally Come To My Senses
But What...?

What Do You Do After Love? (Ooh Ooh)
What Can You Say When It's Said And Done?
(When It's Over, Oh)
'cause U Can't Hide A Heart Break (Yea I Know)
And You Can't Stop These Tears From Falling Down
So What Do You Do? (Ooh Ooh)
What Do You Do After Love?
(After Love, Baby)
After Love.

Yea I Know U Hear Me
Listen To Me, Please
But This Is What You Need To Do
Pay Attention
She Know Who I'm Talking To, And I Know U Listening
I Think About You All The Time, If Not Every Minute
I Promise, Hurting You Was Never My Intentions
It's Something Bout Your Style, The Way That U Present It
Every Fantasy I Ever Had You Was In It
I Apologize, For Every Time That You Might Have Cried
There's Not Enough Words To Describe How I Feel Inside
Guardian Angel Sent From The Skies
I Always Knew You Woulda Made A Beautiful Bride
And That's Why
I Wish You Coulda Stayed So Much
But I Fucked Up
And Went And Betrayed Your Trust
You Know, There's No More
Dolce And Gabbana, Gucci, Prada, Trips To Nevada
And I Admit What You Heard Is Probably True
But Outta All These Girls The Only One I Love Is You
I Love You

I'm Broken But I'm Hoping Somebody Put Me Back Together (4x)

What Do You Do After Love?
What Can You Say When it's Said And Done
When it's Over
Cos U Can't Have A Heart Break
And You can't Stop Your Tears From Falling Down

So What Do You Do? What Do You Do?
After Love.
