

Can't Believe

Puff Daddy

I always dreamed that everything would be okay
With me and you, I was wrong
When I looked into your eyes
I didn't see all the things I used to see
What's going on?

You gave me reason to believe that
We were always meant to be
But now I see, you were wrong
You can't keep running back to me
With all those "Baby, baby please"-s
No more, no more

Never imagined
You would be a faded picture
I'm emotional
You're so believing
You're deceiving, it's official
I'm emotional

I can't forget that night I saw you in the corner
Of my eye, you were wrong ooh
Slow dancing on the floor
While I was watching from the door
So hurt, there you were

You gave me reason to believe that
We were always meant to be
But now I see, you were wrong
You can't keep running back to me
With all those "Baby, baby please"-s
No more, no more

Never imagined
You would be a faded picture
I'm emotional
You're so believing
You're deceiving, it's official
I'm emotional

You had your chance
But you threw it all away
Thought you had my love always
Oh baby, I don't understand
Why you think that we could stay in total unhappiness

Never imagined
You would be a faded picture
I'm emotional
You're so believing
You're deceiving, it's official
I'm emotional
