

# I Need a Girl (Part One)

Puff Daddy

Yeah, Yeah  
I need a, I want a

I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine oh mine  
I need a girl in my life

Yo, I'm internationally known on the microphone  
I got it all, but I really need a wife at home  
I don't really like the zone, never spend the night alone  
I got a few, you would like to bone  
But, chicks that romance me don't tickle my fancy  
Bonin Tiffany, Nancy; that's not where my plans be  
Need a girl that could stand me, raise me a family  
Go from trips to Delancey to trips to the Grammy's cause  
Most of these girls be confusin me  
I don't know if they really love me or they usin me  
Here's the money, or maybe you ain't used to me  
Cause you was depressed and now you abusin me  
That's why I need a girl that be true to me  
Know bout the game, and know how to do to me  
Without a girl on my side, shit'll ruin me  
Forget the world girl, it's you and me

Now let's ride.....

I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine oh mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else cuz she's all mine  
I need a girl in my life

Yo, now I have had a lot of women in my lifetime  
But see it's not a lot of women that got the right mind  
I done had pretty chicks with all the right features  
And hoodrat chicks that only rock sneakers  
Cellphones and beepers, and know how to treat ya  
You break her heart, she'll walk out and leave ya  
I find a girl, I'ma keep her  
Cuz now I'm gettin money and the game gettin deeper  
I want some real shit, I need somebody I can chill with  
I need somebody I can build with  
I need somebody I can hold tight  
Wintertime and its full lit, snow white  
Anytime we together feel so right  
You the girl I been lookin for my whole life  
God bless me, I'm glad I got the insight  
It's cuz of you girl, now I understand life

I need a girl...

I need a girl to ride, ride, ride  
I need a girl to make my wife

I need a girl who's mine oh mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else cuz she's all mine  
I need a girl in my life

I had a girl that would've died for me  
Didn't appreciate her so I made her cry for me  
Every night she had tears in her eyes for me  
Caught a case, shorty took the whole ride for me  
At first we were friends then became lovers  
You was more than my girl, we was like brothers  
All night we would play fight under covers  
Now you gone, can't love you like I really wanna  
But everytime I think about your pretty smile  
And how we used to drive the whole city wild  
Damn I wish you would've had my child  
A pretty little girl wit Diddy's style; this shit is wild  
All them days that I reminisce  
About the way that I used to kiss the pretty lips  
But as long as you happy, I'ma tell you this  
I love you girl and you're the one that I will always miss  
I love you, yeah

I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine oh mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else cuz she's all mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine oh mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else cuz she's all mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine oh mine  
I need a girl in my life  
I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else cuz she's all mine  
I need a girl in my life
