

# Thank You

Puff Daddy

You've always been right there to let me know everything's alright  
Whenever darkness came my way You were my light  
I wanna thank You for the difference in my life  
Can't even count the reasons why ( ohhh I)

I lift you up and praise Your name  
You gave me strength to see another day  
When I was lost, You helped me find my way  
When it seems I can't face another day( That's when I call on.....)

You-- In time trouble, faced with struggle I call no one but ..  
You-- When Im feelin lonely, no one around me still I call on ..  
You-- You always placed Your arms around me when I needed..  
You-- that's why I sing this song to tell You  
Lord I do love You

You are the only one who keeps on blessing me  
At times, I thought that I was blind You helped me see  
(Oh ho) And I can never pay You back for all You've done  
That's why I serve You faithfully and never give You up

I lift you up and praise Your name  
You gave me strength to see another day  
When I was lost you helped find my way  
When it seems I can't face another day  
That's when I call on..

You-- In time trouble, faced with struggle I call no one but ..  
You-- When Im feelin lonely, no one around me still I call on ..  
You-- You always placed Your arms around me when I needed..  
You-- that's why I sing this song to tell You  
Lord I do love You

Knock and He will answer  
The lord will make a way  
He's worthy of his praise

I know life is worth living  
Becasue of you Jesus,  
I always call on You

(Lord I love you: love you)  
(3x)

All I wanna do  
All I wanna do I  
is to keep lovin you  
is to keep lovin you  
(4x)
