

I Do

Puggy

Do you like the sound of what I say
Do you like the sound of what I say
Do you like the sound of what I say
I do I do I do

Would you like to know
How we could feel
Would you like to know
How we should feel
Would you like to feel
How we could feel
I do I do I do

But time will pass along the way
And laugh at us the way
It laughs at every day
Time will pass along the day
We laugh at all the ways
We loose it all the same

Would you like to know
How this all went wrong
Would you like to know
How this all went wrong
Would you like to know
How this all went wrong
I do I do I do

Would you like to know what to forget
Forget what you forgot and not regret
Forgive me if I sound a little dead
I do I do I do

But time will pass along the way
And laugh at us the way
It laughs at every day
Time will pass along the day
We laugh at all the ways
We loose it all the same (4x)

But time will pass along the way
And laugh at us the way
It laughs at every day

Do you like the sound of what I say
Do you like the sound of what I say
Do you like the sound of what I say

Do you like the sound of what I say
Do you like the sound of what I say
Do you like the sound of what I say

But time will pass along the way
And laugh at us the way
It laughs at every day
Time will pass along the day
We laugh at all the ways

We loose it all the same
