

Something You Might Like

Puggy

Everybody wants to know
how you feel (how you feel)
So maybe you could sing
Singing's not a sin

Everybody wants to know
What you're doing here (doing here)
Maybe you could dance
Come on shake your pants

Oooh oooh oooh oooh oooh oooh

Everybody wants to know
Where you're coming from (coming from)
Did you fly here in a ship,
Ride a black hole for a click

Everybody wants to know
If you're sweet (sweet)
Please don't shoot us with a gun
Or that laser by your feet

Oooh oooh oooh oooh oooh oooh

Here is something that you might like

Everybody wants to know
If you're happy here (happy here)
Would you like to buy a home
Live in London or in Rome

Everybody wants to know
if you're our friend
In the end

Oooh oooh oooh oooh oooh oooh
Was it someting I said
Oooh oooh oooh oooh oooh oooh
Was it something I did
Oooh oooh oooh oooh oooh oooh
That you could never forget
Oooh oooh oooh oooh oooh oooh
That you could never forgive
