You try so hard but you just can't blow it away

Yeah, fuck yeah, whatever

Awesome, totally bodacious
Awesome, radical
Awesome

I think it's time that we ditch the hoverboard
Yeah, fuck yeah, whatever
Yeah, fuck yeah, whatever

Awesome, radical
Awesome, totally bodacious
Awesome, radical
Awesome, totally bodacious
Awesome, radical
Awesome, totally bodacious
Awesome, radical

We are so macho, we are mind control
We bend dimensions with intentions to destroy your soul
We are so macho, we are so so so
We bend dimensions with intentions to destroy your soul
We are so macho, we are mind control
We bend dimensions with intentions to destroy your soul
We are so macho, we are so so so
We bend dimensions with intentions to destroy your soul
We are so macho, we are mind control
We bend dimensions with intentions to destroy your soul
