

## Wolf Hand

## Pulled Apart By Horses

When I was a kid  
I was a dick  
But nothing changes  
Threw myself around  
Till I was sick  
But nothing changes

When I was a kid  
I was a dick  
But nothing changes  
Threw myself around  
Till I was sick  
But nothing changes

Getting over, getting old  
Getting over getting

When I was a kid  
I was a dick  
But nothing changes  
Threw myself around  
Till I was sick  
But nothing changes

Well nothing ever  
Seems to happen  
And nothing ever  
Seems to change  
And nothing ever  
Seems to happen  
And nothing ever  
Seems to change

Getting over, getting old  
Getting over, getting old  
Getting over, getting old  
Getting over, getting old

But it's OK  
But it's OK  
But it's OK  
But it's OK  
Well I don't care  
Well I don't care  
Well I don't care  
Well I don't care
