

## Life Must Be So Wonderful

Pulp

Life must be so wonderful, living here on your own,  
please call / around to see.  
And maybe I've been loving you for too long, / and now blind,  
I watch you bleed.  
You rot in your bedroom, you cry on the phone.  
Well I'm sorry / but he's not at home.  
You give me your secrets, you give me your heart  
and I smile whilst you fall apart.  
Oh no, / please not now, / can't you see there's no time?  
No, I haven't the time. / Can't you see there's no time?  
Oh-oh, / oh-oh-oh-oh, / oh-oh, / oh-oh-oh-oh-oh-oh...  
Now all our dreams melt / in the sun, / and visions / dwindle  
one by one by one. / Perhaps you should move somewhere / far aw  
ay,  
to another town / where maybe they / could see things in your w  
ay.  
It shouldn't be like this, it shouldn't be hard.  
I smile whilst you fall apart.  
You're sorry, you're sorry, is all that you say.  
Well, / I'd stop it, but I can't find a way.  
Your life must be so wonderful, / your visions die and fall.  
And in the end, / nothing ends, / just grows fainter  
and farther / away.
