

Pink Glove

Pulp

You'd better watch what you're wearing
If you want him to come round and see you tonight
He doesn't care what it looks like
Just as long as it's pink and it's tight

Oh, so what should you do ? Should you stop being you just to
be what he wants you ?
Oh, say you'll visit your mum then tell me you'll come and meet
me in the afternoon
He's got your heart, he's got control, oh God you might as well
know

I know you're never going to be with me
But if you try sometimes then maybe you could get it right first
time
I realise that you'll never leave him
But every now and then in the evening you could get it right first
time
I know you think I've got to be joking
But if you touch him again then I'm going, you got it right first
time
Get it right first time

Now you've done it once now he wants you to wear your pink glove
all the time
Oh, so what should you do ?...etc.

Oh you'll always be together 'cos he gets you up in leather
So you know what to wear at the end of the day
And I'd laugh if I saw but I'm out of the way
Yeah it's too long ago, shouldn't care anymore
But I wanted to know, is it as good as before ?
Yeah it's hard to believe that you'd go for that stuff
All those baby-doll nighties with synthetic fluff
Yeah it looks pretty good and it fits you O.K.
Wear your pink glove babe he put it on the wrong way
