

## Pink Glove

Pulp

You'd better watch what you're wearing  
If you want him to come round and see you tonight  
He doesn't care what it looks like  
Just as long as it's pink and it's tight

Oh, so what should you do ? Should you stop being you just to  
be what he wants you ?  
Oh, say you'll visit your mum then tell me you'll come and meet  
me in the afternoon  
He's got your heart, he's got control, oh God you might as well  
know

I know you're never going to be with me  
But if you try sometimes then maybe you could get it right first  
time  
I realise that you'll never leave him  
But every now and then in the evening you could get it right first  
time  
I know you think I've got to be joking  
But if you touch him again then I'm going, you got it right first  
time  
Get it right first time

Now you've done it once now he wants you to wear your pink glove  
all the time  
Oh, so what should you do ?...etc.

Oh you'll always be together 'cos he gets you up in leather  
So you know what to wear at the end of the day  
And I'd laugh if I saw but I'm out of the way  
Yeah it's too long ago, shouldn't care anymore  
But I wanted to know, is it as good as before ?  
Yeah it's hard to believe that you'd go for that stuff  
All those baby-doll nighties with synthetic fluff  
Yeah it looks pretty good and it fits you O.K.  
Wear your pink glove babe he put it on the wrong way
