

## Street Lites

Pulp

Doorways / corners / and the street lights dance in your eyes /  
behind the cinema / in the  
Rain / in the subway / where the walls crumble and cover you in  
fine dust / 'cos we  
Haven't got a home to go to / touch me / on the back seat, on t  
he top deck / talk dirty /  
On the back row / can you feel me / against you? / oh no / we s  
houldn't / we shouldn't /  
We shouldn't / I want to / ...mmmm... / what you gonna do / if  
you go home and he's not  
There? / it wouldn't be the same if we didn't know it was wrong  
/ oh touch me / and then  
Go wherever he takes you / oh yeah leave me / and I'll walk it  
off in the rain somehow /  
Someone wants to watch by the side of alena stores / in the doo  
rway, in the rain / did he  
See us? / do you care? / pull the night-  
time tight around us / and we can keep each other  
Warm / while the cars drive by / en-route to dried-  
up dinners / and strip-lit kitchens and  
The smell of gas and potato peelings / what you gonna do if you  
go home and he's not  
There? / it wouldn't be the same if you didn't know it was wron  
g / oh touch me / and then  
Go wherever he takes you / oh yeah leave me / and I'll walk it  
off in the rain somehow  
Yeah / we've got to go on meeting like this / I don't want to l  
ive with you or anywhere  
Near you / I want to catch you unawares / undressing in front o  
f a window maybe /  
Impressed with those things I drive by / did you see me? / coul  
d you tell that I was  
Watching? / did it make it feel better? / yeah, it was good for  
me too / did you think  
About me? / oh did you close your eyes? / think that maybe / it  
was my hand that was  
Touching you / my breath against your face? / and when you open  
ed your eyes / did the  
World tip off it's axis for a few seconds? / and you thought yo  
u'd caught a tiny glimpse of  
Someone? / something here with it's shoulders moving towards yo  
u? / yeah I did too / and  
It felt good / and it felt good / and it felt good / in a stran  
ge kind of way / in a way  
That things that aren't supposed to feel good / sometimes do /  
oh take it away / yeah /  
What you gonna do if you go home and he's not there? / it would  
n't be the same if you

Didn't know it was wrong / oh touch me / and then go wherever he  
takes you / oh yeah leave  
Me / and I'll walk it off in the rain somehow / what you gonna  
do if you go home and he's  
Not there? / it wouldn't be the same if you didn't know it was  
wrong / oh touch me / and  
Then go wherever he takes you / oh yeah leave me / and I'll wal  
k it off in the rain  
Somehow.
