

Build Your Cages

Pulse Ultra

Build your cages is great for freedom
Believe all your made up sages
Sucked out from your social circle
Is it worth the fifteen minutes?

Sacrifice everything you know you love
The dream entices you to give yourself away
Sacrifice everything you know you love
You miss the things you hated long ago

Embellish your desired state
Do you think it satiates?
Sucked out from your social circle
Is it worth the fifteen minutes?

Dreams are seldom what they seem...
Dreams are seldom what they seem...

Sacrifice everything you know you love
The dream entices you to give yourself away
Sacrifice everything you know you love
You miss the things you hated long ago

Sacrifice everything you know you love
The dream entices you to give yourself away
Sacrifice everything you know you love
You miss the things you hated long ago

Dreams are seldom what they seem...
Dreams are seldom what they seem..
