

# As You Sleep

## Punchline

As you sleep,  
I lay in bed and think about the  
Times we had.  
It's over, and I feel that you were glad.  
So tell me this:  
What did I do to make you so pissed?  
Was I too nice?  
Help me out, I need some advice.  
Why?

I can not believe  
That you would do this to me.  
I thought we'd be together,  
Forever, end of story.  
So here I am,  
For the first time on my own.  
So here I am,  
And I don't wanna be alone.

And as you sleep,  
I lay in bed and think about the  
Times we had.  
It's over, and I feel that you were glad.  
So tell me this:  
What did I do to make you so pissed?  
Was I too nice?  
Help me out, I need some advice.  
Why?

I had so many plans  
For us to encounter.  
It is so obvious  
That you had all the power.  
Is it true that girls  
???  
???

And as you sleep,  
I lay in bed and think about the  
Times we had.  
It's over, and I feel that you were glad.  
So tell me this:  
What did I do to make you so pissed?  
Was I too nice?  
Help me out, I need some advice. (2x)
