

Getting There Is Getting By

Punchline

I'm going to get there
You're going to see me
You're going to say that so much has changed
In a year now,
I'll rise above and I'll see you at the...top

Everyone has changed.

AOA....are you okay?
Are your breathing patterns on time?
Did you wake up in the morning breathing fire
And stumble out of bed like thoughts into your head?

Tie me here in time
I think I'm doing alright
And kind of getting by

Everyone has changed.

KOA...are you AOK?
Was yesterday the best day of your life?
Only beating out the day before that?

Are you afraid of, the world you've created?

Tie me here in time
I think I'm doing alright
And kind of getting by

Make tonight my life
I think I'm doing alright
And kind of getting by

Who do you turn to?
When you don't know who you turned into?

And everyone has changed.

Who do you turn to?
When you don't know who you turned into?

You won't find it this time.

When we get there
You will see that...
You will say that
Say that so much has changed
And everyone has changed

AOK are you okay tonight?

Everyone has changed.
Everyone has changed.
Everyone has changed.
Everyone has changed.

Tie me here in time

I think I'm doing alright
And kind of getting by

Make tonight my life
I think I'm doing alright
And kind of getting by

Tie me here in...time.
