

Lemon Pez Love

Punchline

When I see you
I tend to freeze up.
No matter what I say,
I never have any luck.
And I try to talk to you,
But it's a two-way street.
No matter what I say,
You keep yourself discrete.

Why won't give me a chance?
I will show to you
That I will treat you with...
You know that I will do
Whatever it is you want
To keep you happy
All that I wanna do
Is love you as much as I can.

The other day
You came up and talked to me.
I was a bit surprised,
And so happy.
And I didn't know what to say,
But I gave you some lemon pez,
And I think this could work out.
(No it can't!)

Why won't give me a chance?
I will show to you
That I will treat you with...
You know that I will do
Whatever it is you want
To keep you happy
All that I wanna do
Is love you as much as I can.
