

The Hit

Punchline

How long
How long has this been going on?
And still you tell me that it's not
Where did you go?
I want you to know
That it's too late,
You've been caught

What will I do, with no one to run to?
I walk around with my head in the clouds
I think I've had enough

It won't be easy for me
To fall in love again
So how can you tell me (oohooohooohoh)
That this isn't love when my heart is on fire?

How long
How long will I be holding on
to the ghost that you've become?
Where did you go?
Because I want you to know
That I am still standing here stunned

When you're a fool, nobody loves you
You walk around with your head in the clouds
I think I've had enough

It won't be easy for me
To fall in love again
So how can you tell me (oohooohooohoh)
That this isn't love when my heart is on fire?

It won't be easy for me
To fall in love again (yeah, yeah!)
So how can you tell me (oohooohooohoh)
That this isn't love when my heart is on fire?

How long
How long has this been going on?
How long
How long has this been going on?
How long
How long has this been going on? (Hey!)
How long
How long...

It won't be easy for me
To fall in love again
So how can you tell me
That this isn't love when my heart is on fire?
