

## Intro / Extreme Deformity

**Pungent Stench**

Distorted spine  
Swollen face  
When you walk  
You're a big disgrace  
Repulsive man  
Are you evil  
The people kill you  
And they think it's right  
Now it's over  
The monster is dead  
With God's help  
They defiated the wicked  
The real monsters are you!
