

Gimme Another Chance

Pure Prairie League

Everybody makes mistakes and I know I can make as many
As you
You know I'm just tryin' to save my soul, yes an' make
A little money too
You know two people tryin' to get it together gonna
Learn a lot as they go along
And ya know that means you must forgive and forget
Or ya lose what ya learned before long

Gimme another chance, you know I'm sorry
Gimme just a one more chance to show I love you

There's somethin' that I have to say to you even though
You'll never understand
You're lookin' for a way to make things easy without

You ever liftin' your hand
It seems to me that if you scratch my back that I would
Do the same for you
And ya know that means you must forgive and forget
Or someone may forget about you

Gimme another chance, you know I'm sorry
Gimme another chance, you don't have to worry
Gimme just a one more chance to show I love you

Gimme another chance, you know I'm sorry
Gimme another chance to show I love you

Gimme another chance
Gimme another chance
Gimme just a one more chance to show I love you
Yes I do
