

I Can't Believe

Pure Prairie League

(Vince Gill)

I can't believe I'm falling so deep in love with you
An' I can't believe I'm so happy, so happy I found you...
I found
You... I found you... oh I found you... I found you

An' I can't believe when you told me that you love me so
An' I can't believe when I told you well I'll never let

You go... let you
Go... let you go... oh let you go... let you go

I can't believe I've awakened with noone here with me
I can't believe I was dreamin', well you're only make
Believe... make
Believe... make believe... you're make believe... you're
Make believe
