

The long awaited rains have fallen hard upon the thirsty ground  
And carved their way to where the wild and rushing river can be  
found

And like the rains I have been carried here to where the river  
flows, yeah

My heart is racing and my knees are weak as I walk to the edge  
I know there is no turning back once my feet have left the ledge

And in the rush I hear a voice, that's telling me it's time  
to take a leap of faith. So here I go

[CHORUS]

I'm diving in, I'm going deep in over my head, I want to be  
Caught in the rush, lost in the flow, in over my head, I want to  
go

The river's deep, the river's wide, the river's water is alive  
So sink or swim, I'm diving in

There is a supernatural power in this mighty river's flow  
It can bring the dead to life and it can fill an empty soul  
And give a heart the only thing worth living and worth dying for,  
yeah

But we will never know the awesome power of the grace of God  
Until we let ourselves get swept away into this holy flood  
So if you'll take my hand  
We'll close our eyes and count to three and take the leap of faith  
Come on let's go.

[CHORUS]
