

It's All About You

pureNRG

I just can't wipe it off, this smile on my face
I can't slow it now, my heart just beats at this pace.
I got a skip in my step and I like it that way.
I got a glow in my soul and it's here to stay.

When I think about You, I just can't fight it.
When I think about You, there's no denying that

[CHORUS]

I just want to sing and dance, like everyday
Don't wanna stop or turn it down, is that okay?
And when they ask just what's got me goin' so crazy
I let 'em know, "It's all about You."

You got me ridin' high, like I'm on top of the world
You got me feelin' like nothing can stop me
I got a skip in my step and I like it that way,
I got a glow in my soul and it's here to stay.

When I think about how You love me this way.
When I think about You, Your amazing Grace.

[CHORUS]

It's all about You when I dance and sing
It's all about You, everything
It's all about You when our voices ring
Everything I do it for you. [Repeat]

[CHORUS X2]
