

Creep around the back door
Sneak a little, peek a little
Thumb on the bum
Middle finger on the Ringu
Rubberneck around
Watch me watch you
Gonna tap-tippy-tap
On the money button 'til you hum

Front leader, respect
Pop about facial
Show you the difference
'Tween my gun and my pistol
Tuggin' on the dinner bell
Rope ding-a-ling-dong
Big boom smile at the wow
It's a sing-a-long

Dozo
Sugoi

Does that count?

Dinner bell ding-a-ling-dong
Come and get it
Better eat it up quick
'Cause the bitch is gonna get it

Front leader, respect
Pop about facial
Show you the difference
'Tween my gun and my pistol

Front leader, respect
Pop about facial
Show you the difference
'Tween my gun and my pistol

Show you the difference
'Tween my gun and my pistol

Show you the difference
'Tween my gun and my pistol

Show you the difference
'Tween my gun and my pistol

Show you the difference
'Tween my gun and my pistol

Dozo, dozo, dozo
