

# Midnight Romeo

Push Play

Meet me at my door  
By the end of the night  
You'll be screaming for more more more of me  
Tonight's a big night so let's make history

My lips touch your lips  
My hands is on your hips  
What's it gonna take for you to give me my goodnight kiss

Oh whoa  
My heart is beating fast but my hands are moving slow  
Oh whoa  
Feels so right you just can't say no

Late night gonna hit the town  
Gonna take you out  
Gonna make you go  
Whoa whoa  
Midnight Romeo  
Show me yours and I'll show you mine  
Gonna make you sweat  
Gonna feel it head to toe  
You know I'm your midnight Romeo

I'll be your Dr. Jekyll your Mr. Hyde  
The best of both worlds when you get inside my place place place with me  
You be the lock, I'll be the key  
Tonight's about to win  
Tell me baby are we more than friends  
Tonight your dinner's free  
What's in it for me

Oh whoa  
My heart is beating fast but my hands are moving slow  
Oh whoa  
Feels so right you just can't say no

Late night gonna hit the town  
Gonna take you out  
Gonna make you go  
Whoa whoa  
Midnight Romeo  
Show me yours and I'll show you mine  
Gonna make you sweat  
Gonna feel it head to toe  
You know, I'm your midnight Romeo

Now it's time  
I'll turn the lights down low  
Show me yours and I'll show you mine  
Gonna make you sweat  
Gonna be your Romeo  
In my head it's time to lose control  
Whoa whoa  
I'm your midnight Romeo

Late night gonna hit the town

Gonna take you out  
Gonna make you go  
Whoa whoa

Late night gonna hit the town  
Gonna take you out  
Gonna make you whoa  
Whoa whoa  
Midnight Romeo  
Show me yours and I'll show you mine  
Gonna make you sweat  
Gonna feel it head to toe  
You know I'm your midnight Romeo
