

# Who I Am

Pusha T

They said be all you can be  
They said be all you can be  
I just wanna buy another Rollie  
I just wanna pop another band  
I just wanna be dope forever  
I just wanna be who I am

They said be all you can be  
They said be all you can be  
Always knew I could rule the world  
Let's define what my world is  
Knee deep in this dope money  
Damn near where my world ends  
Same block, same rock  
I was thinking 'bout murdering  
I ain't getting my hands dirty  
Let you worry 'bout serving them

They said be all you can be  
They said be all you can be  
I just wanna buy another Rollie  
I just wanna pop another band  
I just wanna be dope forever  
I just wanna be who I am

They said be all you can be  
They said the truth set you free

Entrepenuer, strip club connoisseur  
Hot fudge sundae, pour it on you hallelujah  
Pour it on you hallelujah, pour it on you hallelujah  
And I be on my own dick, ain't that much room for you  
Red, white, blue, I pledge allegiance to the street life  
Even if there's left overs I still got to eat right  
Got gas in my peace pipe, pink Sprite  
She pea poppin her jeans tight  
All day I dream 'bout three stripes  
We the type of crew to get fresh jet set in her livin' room  
Look out at one, got a bad bitch in my swimming pool  
Got a bad bitch in my swimming pool  
Got a bad bitch in my swimming pool  
We the type of crew to get fresh jet set in her livin' room  
Look out at one, got a bad bitch in my swimming pool

They said be all you can be

Pretty girls is my reputation  
One on my arm, that's decoration  
Getting to it, no hesitation  
To fuck with me you need a reservation  
To the top escalating, elevating  
Good music legislation, delegatin'  
And I mean that shit like exclamation, exclamation, exclamation  
And I'm going till I K.O  
Eyes closed, I'm OK  
All my bitches know they roll  
Even when we role-play

My homie got that nine on him  
All night and all day  
All night and all day  
All night like that ish is his mothafucka soulmate  
Cause no time for hand in hand  
When you got this paper hand in hand  
Bitch I'm feeling like a grown ass lil' boy, na na na na na  
Bitch I'm feeling like a grown ass lil' boy, cause I still like to get pampe  
red  
But don't get it twisted, watch your step and m-m-manners

They said the truth set you free!

I just wanna be who I am  
I just wanna be who I am  
Always knew I could rule the world  
Let's define what my world is  
Knee deep in this dope money  
Damn near where my world ends
