

I Don't Need a Man

Pussycat Dolls

I see you looking at me
Like I got something for you
And the way that you stare
Don't you dare
'Cause I'm not about to
Just give it on up to you
'Cause there are some things I won't do
And I'm not afraid to tell you
I don't ever want to leave you confused

The more you try
The less I bite
And I don't have to think it through
You know if I'm into you

I don't need a man to make it happen
I get off being free
I don't need a man to make me feel good
I get off doing my thing
I don't need a ring around my finger
To make me feel complete
So let me break it down
I can get off when you ain't around
Oh!

You know I got my own life
And I bought everything that's in it
So if you want to be with me
It ain't all about the bling you bringing
I want a love that's for real
And without that then no deal
And baby I don't need a hand
If it only wants to grab one thing

The more you try
The less I bite
And I don't have to think it through
You know if I'm feeling you

I don't need a man to make it happen
I get off being free
I don't need a man to make me feel good
I get off doing my thing
I don't need a ring around my finger
To make me feel complete
So let me break it down
I can get off when you ain't around

Let it go
Let it go
Let it go
Let it go
[Repeat 4X]

I don't need a
I don't need a man, I don't
I don't need a man

I'll get me through
'Cause I know I'm fine
I feel brand new

I don't need a
I don't need a man, I don't
I don't need a man
I'll make it through
'Cause I know I'm fine
Without you!

I don't need a man to make it happen
I get off being free
I don't need a man to make me feel good
I get off doing my thing
I don't need a ring around my finger
To make me feel complete
So let me break it down
I can get off when you ain't around
Oh!

I don't need a man (I'm over you)
I don't need a man (I'm over you)
I don't need a man
(I'm without you)
(I'm over you)

I don't need a man
I don't need a man
I don't need a man
