I see you looking at me Like I got something for you And the way that you stare Don't you dare 'Cause I'm not about to Just give it on up to you 'Cause there are some things I won't do And I'm not afraid to tell you I don't ever want to leave you confused The more you try The less I bite And I don't have to think it through You know if I'm into you I don't need a man to make it happen I get off being free I don't need a man to make me feel good I get off doing my thing I don't need a ring around my finger To make me feel complete So let me break it down I can get off when you ain't around You know I got my own life And I bought everything that's in it So if you want to be with me It ain't all about the bling you bringing I want a love that's for real And without that then no deal And baby I don't need a hand If it only wants to grab one thing The more you try The less I bite And I don't have to think it through You know if I'm feeling you I don't need a man to make it happen I get off being free I don't need a man to make me feel good I get off doing my thing I don't need a ring around my finger To make me feel complete So let me break it down I can get off when you ain't around Let it go Let it go Let it go Let it go [Repeat 4X] I don't need a I don't need a man, I don't

I don't need a man

I'll get me through
'Cause I know I'm fine
I feel brand new

I don't need a
I don't need a man, I don't
I don't need a man
I'll make it through
'Cause I know I'm fine
Without you!

I don't need a man to make it happen
I get off being free
I don't need a man to make me feel good
I get off doing my thing
I don't need a ring around my finger
To make me feel complete
So let me break it down
I can get off when you ain't around
Oh!

I don't need a man (I'm over you)
I don't need a man (I'm over you)
I don't need a man
(I'm without you)
(I'm over you)

I don't need a man I don't need a man I don't need a man
