

# Painted Windows

Pussycat Dolls

I see you over there looking like a millionaire  
Wind blowing through my hair making you wanna stare  
Come closer, I want you, you can see it in my eyes  
I hope you're ready for the ride

Zoom, zoom, zoom, ah  
The honesty in my eyes got you hypnotized  
Zoom, zoom, zoom, ah  
I'mma give you a look, you gon' memorize

Jump in my painted windows, baby, let's go  
My eyes look like a Picasso, let it all go  
Jump in my painted windows, wanna see my soul  
I'll show ya, I can love ya

In the blink of an eye, painted window  
In the blink of an eye, my painted windows  
In the blink of an eye, painted window  
In the blink of an eye, my painted windows, oh

I got you so hot in a daze looking like a moron  
My hoods up, gimme a jump baby time to get me started  
Be careful, don't let go somebody might scare you go  
Boy, you shouldn't let it come to this side

Zoom, zoom, zoom, ah  
The honesty in my eyes got you hypnotized  
Zoom, zoom, zoom, ah  
I'mma give you a look, you gon' memorize

Jump in my painted windows, baby, let's go  
My eyes look like a Picasso, let it all go

In the blink of an eye, painted window  
In the blink of an eye, my painted windows

While I watch the way you move  
Temptation's no surprise  
I can't get enough of you

Jump in my painted windows, baby, let's go  
My eyes look like a Picasso, let it all go  
Jump in my painted windows, wanna see my soul  
I'll show ya, I can love ya

Jump in my painted windows, baby, let's go  
My eyes look like a Picasso, let it all go  
Jump in my painted windows, wanna see my soul  
I'll show ya, I can love ya

In the blink of an eye, painted window  
In the blink of an eye, my painted windows

In the blink of an eye, painted window
