

# Tainted Love

Pussycat Dolls

Sometimes I feel I've got to  
Run away I've got to  
Get away  
From the pain that you drive into the heart of me  
The love we share  
Seems to go nowhere  
And I've lost my light  
For I toss and turn I can't sleep at night

Once I ran to you (I ran)  
Now I'll run from you  
This tainted love you've given  
I give you all a girl could give you  
Take my tears and that's not nearly all  
Oh...tainted love  
Tainted love

Now I know I've got to  
Run away I've got to  
Get away  
You don't really want IT any more from me  
To make things right  
You need someone to hold you tight  
And you'LL think love is to pray  
But I'm sorry I don't pray that way

Once I ran to you (I ran)  
Now I'll run from you  
This tainted love you've given  
I give you all a girl could give you  
Take my tears and that's not nearly all  
Oh...tainted love  
Tainted love

Don't touch me please  
I cannot stand the way you tease  
I love you though you hurt me so  
But I'm gonna pack my things and go,  
Tainted love  
Tainted love  
Tainted love  
Tainted love

Baby, baby.. baby dont leave me  
ooo please dont leave me, all by myself  
I've got this burnin', yearnin', yearnin' feelin inside me.  
Ooohh deep inside me,  
And it hurts so bad...  
You came into my heart so tenderly,  
With a burning love,  
That stings like a bee...  
Now that I've surrendered so helplessly,  
You now wanna leave, oo you wanna leave me...  
Oh baby, baby, where did our love go?  
Oh don't you leave me,  
Don't you leave me no more...
